Dear Jennifer and Sarah,

On behalf of Wellspring House, I want to thank you and all the people in your organization who participated in the Dress for Success clothing drive and contributed their used professional women's clothing to the education programs we sponsor: Foundations, MediClerk, and the One Family Scholars program.

I enjoyed meeting you both when you dropped off the clothing last Wednesday. I am glad you were able to stay long enough to have a quick tour of Wellspring House and to meet two of the key people in our Development Department, the Director, Mimi Reeves, and the Administrator, Linda O'Neill.

The women in Foundations have been having a wonderful time going through the clothing and selecting things. The women from our offsite affiliate programs – MediClerk and the One Family Scholars – will soon have a chance to enjoy going through them as well.

Thank you for thinking of Wellspring House as a beneficiary of your clothing drive. I know you have also been doing some volunteer work for our Cape Ann Families division as well. Your kindness and generosity in all these areas are greatly appreciated. I hope you will stay in touch with Wellspring House and with our Volunteer Coordinator, Cara White (x303).

Sincerely yours,

Connie Komack
Career & Education Counselor/Teacher
